

All Saints Catholic College

4th March 2026

Dear Parent/Carer,

We are delighted to welcome you and your child to the All Saints Catholic College community as part of our new Year 7 cohort starting in September 2026. We are excited to begin this journey with you and look forward to supporting your child as they transition into secondary school life.

As part of our transition programme, we have arranged a series of events and visits designed to ensure your child feels confident and supported ahead of joining us:

Parents' Transition Evening

Wednesday 1st July 2026
6:00pm – 7:00pm

This evening will provide essential information about our school, routines, expectations and the transition process. You will also receive everything you need to support your child ahead of their transition day. A uniform pop-up shop will be available onsite, offering the opportunity to purchase or browse our official school uniform.

Transition Day for Students

Thursday 2nd July 2026

Your child will spend the day with us at All Saints Catholic College, meeting staff, exploring the school environment, taking part in sample lessons and getting to know other students in their year group. This day plays a vital role in helping them settle in smoothly and confidently in September.

Primary School Transition Visits

In the weeks leading up to the summer break, members of our transition and pastoral teams will be visiting your child's primary school. These visits allow us to meet the children in their familiar setting and gather important information to support their move to secondary school. This includes discussing each child's strengths, learning needs and any Special Educational Needs information to ensure appropriate support is in place from the very beginning.

All Saints Catholic College

To secure your child's place, please ensure you reply to accept the offer by Friday 13th March 2026. We look forward to receiving your confirmation. We are pleased to welcome you and your family into the All Saints community and look forward to working in partnership with you over the coming years.

Further information about our school, values, and community can be found on our website:
