

July 2024

Dear Parent/ Carer,

Curriculum

This academic year we have developed our Key Stage 3 curriculum offer to ensure that we have the highest expectations of all our pupils and provide high quality learning experiences to best prepare all pupils for the Option Process as they then transition into Key Stage 4.

For 2024-2025 to be a successful year of the curriculum implementation, I would like to share with you the subject specific overviews, so that you are aware of what topics and themes will be explored by each year group.

As well as developing our Key Stage 3 curriculum offer, we have also developed our Personal Development provision, including the delivery model of the PSHE/RSE curriculum. This has been shared with you most recently as part of the RSE consultation. Please can I thank those parents and carers that have responded and shared their feedback.

Personal Development

Please see below a link to our Wider Curriculum offer. The page provides parents and careers with overviews, information and guidance linked to aspects of school life outside of the classroom such as extracurricular, pupils leadership, literacy and numeracy and careers.

I hope that you have a lovely summer; I look forward to welcoming both pupils and staff back to school in September.

Yours sincerely

N. Gilligan
