\* *Subjects highlighted in grey are those that contribute to the full English Baccalaureate.*

**Please note** pupils cannot take Art and Graphics together as they discount, but they can opt for one as a reserve if they would like a creative subject.

Please return this form to your child's form tutor by Friday 5<sup>th</sup> March 2021.

This exercise will enable us to place the subjects into **3 blocks**. Putting the subjects into three blocks will allow the subjects to be placed into a timetable next year - all subjects in Block A will be on at the same time, all subjects in Block B will be take place at the same time and all subjects in Block C will occur at the same time. The three blocks of subjects will be generated by accommodating as many pupils' top three combinations as possible. Every effort will be made to accommodate 3 out of the 4 chosen subjects. Inevitably and unfortunately some combinations of subjects will not be possible. The resulting options sheet will then be sent out to students who will choose a subject from each of the 3 blocks. These will be the subjects they will study in key stage 4.

*Those students wishing to achieve the English Baccalaureate will be required to choose a language and History or Geography.*

**Please note:** the school reserves the right to withdraw a subject if staffing, rooming, resources or the numbers opting for it make it unviable.

Yours sincerely,

Gus Diamond
