

## Implementation

In order for pupils to achieve excellent outcomes, numeracy is a focus for all pupils at All Saints. Numeracy is the knowledge, skills, attitude and behaviours that students need in order to use numeracy in a wide range of situations. It involves recognising and understanding the role of numeracy in the world and having the capacities to use mathematical knowledge and skills purposefully.

**Below are the ways in which Numeracy is implemented at All Saints Catholic College:**

High Quality Intervention	Promotion of Numeracy throughout the curriculum	Opportunities/ events outside of the curriculum offer to promote a love of numeracy
<ul style="list-style-type: none"> <li>• Bespoke 1:1 intervention</li> <li>• Small group intervention</li> <li>• Revision Sessions before and after school</li> <li>• Bespoke 1:1 Tutoring</li> <li>• Access to materials and text books to support identified pupils</li> </ul>	<ul style="list-style-type: none"> <li>• Numeracy specific reading list</li> <li>• The National Curriculum is followed at KS3 (see KS3 Maths Learning Journey)</li> <li>• Form Time Focus</li> <li>• Numeracy and Careers Day</li> <li>• Maths Departmental Home Learning</li> <li>• Access to various Numeracy based online platforms</li> <li>• PI Day</li> </ul>	<ul style="list-style-type: none"> <li>• Whole school competitions</li> <li>• Free use of the School's LRC with books available to take home and read</li> <li>• Timetable of Learning Resource Centre opening hours with access to IT so that pupils can access online platforms used within Maths lessons</li> <li>• Numeracy Champions</li> <li>• Events linked to Numeracy based careers throughout the year, across the school</li> <li>• Post 16 preparation of college trips and visits</li> </ul>
