## Allergies (2022-23)

It is important that we have up-to-date food related information for you.

If you have any allergies / intolerances, please detail these below: I am allergic to ..... I am intolerant to .....

**OR** I have NO food related medical problems

Please list below any foods that you and your family do not eat for cultural/religious reasons (for example, if you are vegetarian / do not eat pork products, etc).
