

All Saints Summer school programme 2021

All Saints Summer School took place Monday-Friday (excluding Wednesday). Sessions were aimed at pupils in year six who primary staff felt had fallen behind or needed additional support, due to the Covid pandemic. The activities which took place on the Friday were aimed at SEND pupils. The sessions were tailored to support the needs of these pupils and a greater emphasis was placed on familiarising pupils with expectations, systems and routines. At the end of each day all pupils chose a book, which we had purchased for them, to encourage them to carry on reading until their return to school. We had 76 children attend our summer school, though only thirty responded to the evaluation.

Summer School Evaluation

We asked the pupils if there is anything they would like to share with us:

The summer school has prepared me and I look forward to starting school at All Saints in September.

Thank you for inviting X. She had a fab time.

I really like being able to talk to people at break and lunch time

Would have been better if we had more days in instead of just 1 day.

I like that we was able to choose a book! I chose my favourite history topic Tragedy at sea! The sinking of the Titanic

I didn't understand how big the school would be and I got lost a couple of times I went to the toilets.

It was great and my trophy is brilliant. Thank you for inviting me.

I really enjoyed it and would have liked it to be for a full week I can't wait to start.

I was nervous at first and then I had a good day.
