

CONSENT TO THE USE OF PHOTOGRAPHS AND VIDEO IMAGES

July 2023

At All Saints Catholic College, we sometimes take photographs of pupils. We may use these photos in the school's prospectus, on the school's website/social media sites and on display boards around school. This is usually to mark a significant event in the life of the school or to celebrate an achievement, such as an academic or sporting success. Digital cameras and video cameras are also used by staff in school, or by staff at the residential centres to use as memorabilia of events.

Occasionally, photographs are requested by the local press to accompany articles which may be submitted for publication in newspapers to celebrate pupils' achievements. Such publicity, whilst acknowledging pupils' progress, also promotes the active life of the school. Please be assured that the school will always act appropriately and cautiously in this matter.

We would like your consent to take photographs of your child, and to use them in the ways described above. If you are not happy for us to do this, please let us know – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

I am happy for photographs of my child to be used on the school website, social media sites, Facebook and Twitter in school managed accounts.
