

All Saints Catholic College

SMSC across the curriculum

Intent

At All Saints Catholic College, the personal development of students is an integral part of the academic and pastoral work of our school. We aim to develop students spiritually, morally, socially and culturally to ensure that all are treated as individuals. We aim to deliver spiritual, moral, social and cultural education through all aspects of school life through: key stage transition, the curriculum offers, pupil voice activities, student leadership, extra-curricular activities, school trips/ visits, the pastoral system and assembly delivery.

Implementation

- We offer positive and realistic examples and role models for students
 - We promote fundamental British values
- We provide opportunities for reflection, discussion, advice and support to enable pupils to set personal goals
 - Develop self-awareness and self esteem
- All departments understand the importance they play in contributing to the personal development of each pupil
 - We use teaching resources from a wide variety of sources to help pupils understand a range of faiths
- Our pastoral teams work closely to ensure the tutor and assembly programmes have SMSC in mind the delivery is appropriate for each year group
 - Students have opportunities to reflect deeply on moral or social issues relating to school life and the wider world
- Students are offered first hand opportunities to meet different people, visit different places and discuss different belief structures and faiths
 - Provide opportunities for pupil voice so that pupils have a voice that is listened to

Impact

- The lead for Personal Development will be responsible for monitoring and maintaining the implementation and ensuring appropriate progression through the school
- Heads of Departments will be responsible for ensuring that SMSC development opportunities are identified and acted upon wherever possible and evidence recorded in their departments
 - Examples of good practice are to be shared across the school
 - Pupils will be asked to share their ideas and feedback on aspects of school life
