Dear Parents

To support your child and yourself with Home/Remote Learning we have created a page on the College website. If you follow the link into the Covid19 page from the tabs at the top of the website, that will take you to all of the information you should need to access learning.

From the drop down menu you will be given 4 choices of what to access:

**Information and Updates** – where we put up to date information/guidance

**Home Learning Support** – where we have information to support you with home learning

**Microsoft Teams** – where there is an instructional video of how to access

**Remote Learning** – where the plans and timetables for home/remote learning are kept

The last tab is likely the most relevant and that will; be updated and changed regularly to make sure that our children get the best quality education.

During lessons where pupils are accessing independent learning materials, staff will be available via Microsoft Teams Chat to support and answer any questions.

If you have any ongoing suggestions, queries, concerns, or issues please do contact school – and thank you for your ongoing support.

Yours sincerely

G Diamond  
Headteacher
