Be inspired. Be excellent. Succeed.

24th May 2021

Dear parents and carers,

As we prepare to say goodbye to our year eleven pupils, we want to make sure that they feel as supported and as prepared as possible for their post 16 education. I am writing to you to make you aware that, as a school, we have ensured that there will be enrichment materials available for your child once they leave us this half term. Each department has taken the time to consider what would be most helpful for your child to support them at this time. We have provided local colleges with information about areas of the curriculum that have and have not been studied throughout year eleven; the idea behind this is to support your child in their post 16 education.

All enrichment materials will be shared on Show My Homework. There are no deadlines for submission and pupils should not feel under pressure to complete all of the work set. Instead, please advise your child that they should access materials which link to their post 16 courses to prepare them for the next exciting stage of their education. If your child needs support, they can access their account on Microsoft Teams until 30th June, when they will be removed off roll.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'Ms Gilligan', written in a cursive style.

Ms Gilligan
Deputy Headteacher
