

Dear parents,

As your child approaches the end of Key Stage Three we are starting to prepare them and plan for their options. These will mean that they study fewer subjects at Key Stage Four, but they will study them in greater depth. The options process is starting now with your child choosing their options and teaching will begin next year in year ten. During the coming weeks your child will have assemblies from each Head of Department to support them in making this choice.

Please place a (✓) next to the four preferred subjects in the list below with a number 1-4 (1 being the priority)

Subject Choices	Options (choose four)	Priority Number (1-4)
Triple Science		
Spanish		
French		
Geography		
History		
Art		
Graphics		
Hospitality and Catering		
Creative iMedia		
Enterprise and Marketing		
Music		
Statistics		
Performing Arts		
Cambridge National Sport Science		

** Subjects highlighted in grey are those that contribute to the full English Baccalaureate.*

Please note pupils cannot take Art and Graphics together

Please return this form to school via the return envelope by **20th March 2023**. Every effort will be made to accommodate 3 out of the 4 chosen subjects. Inevitably and unfortunately, some combinations of subjects will not be possible.

Those students wishing to achieve the English Baccalaureate will be required to choose a language and History or Geography.
