Dear Parent

Re: PE kit information for September

After a challenging year, I understand that there are a number of issues everyone will have faced. Looking forward to September I would like to raise the standards within PE, and PE kit is something I would like to address.

As of next year, we hope things will start to be back to normal. With this in mind I would like to remind you of a couple of things.

1. Students are expected to bring their full PE kit to every lesson.
2. If there is a medical issue why your child cannot take part in PE, a note needs to be given to their teacher and they will participate in the lesson in another way - coach/referee/captain etc.

Students **must still bring their PE kit** unless the illness or issue prohibits. This is because if it is raining outside and they are in their uniform they would then have to remain in this wet uniform for the rest of the day.

3. If students do not bring their PE kit they will be given a detention as this is vital equipment just like a pen, pencil or ruler.
4. In the winter months, we will allow students to wear plain navy/black under layers or jumpers (with no logos). There will also be a new fleece option coming to the website.

Thank you for your support with this.

Yours sincerely

Miss N Klays
Head of PE
