

All Saints Catholic College

Dear Parents and Carers,

We are pleased to let you know that we use School Gateway at All Saints Catholic College. This is a parental engagement app that allows you to communicate with the school and view your child's achievements and reports, free of charge, any time and from anywhere.

All school-related communications, newsletters, reports, timetables, attendance figures, club bookings, school lunch bookings and payments go through the School Gateway. To remain up-to-date with what is going on in school, please make sure you download the app. This is completely free of charge to parents and carers.

Simply search for 'School Gateway' in your App store and download this.

Apple iPhone users can download the app via schoolgateway.co.uk/iosdownload

Android phone users can download the app via schoolgateway.co.uk/androiddownload

Your login details will automatically be generated using the contact information held by the school which you have provided. If your contact details change at any time, please make sure you let us know. You can check and change your details by emailing schoolcomms@allsaintscatholiccollege.com

If you have any questions, or would like more information, please visit the School Gateway site at <https://schoolgateway.co.uk/>

If you do not have a smart phone, you can also log in to the online version of the School Gateway. However, we recommend using the app if possible, as this makes it far easier for us to make contact with parents and carers when we need to.

Yours sincerely,

Ms N Gilligan
Headteacher
