

Dear Parents/Carers,

Recognising positive contributions within school is key to developing a strong sense of community at All Saints. We acknowledge the importance of praise and reward, and we seek to celebrate our pupils' successes inside and outside of the classroom. In the last term, our Celebration of Conduct has awarded 350+ pupils their bronze, silver or gold badges, which we are delighted to see. We want to continue to reward our pupils who are following the All Saints Way by sending invitations to our end of year reward trips, which will take place in the Autumn term.

As a reward for the hard work and resilience our pupils have displayed this year, we would like to invite pupils to come with us on 19<sup>th</sup> October 2023 to our Key Stage Three and Key Stage Four trips. Pupils will be given the opportunity to join us at Chester Zoo (years 7&8) and Alton Towers (years 9&10). A further letter will follow with additional details, including times and cost.

We encourage pupils to aspire not to have more, but to be more, and believe that all pupils should be entitled to a new beginning at the start of each half term to emphasise the importance of individual growth and personal development. We look to celebrate all pupils who have achieved the highest expectations that we have for them at All Saints during the current half term.

Pupils will be invited to our end of year trip if they have achieved the following during this half term:

- Attendance above 97%;
- Received 35+ conduct points;
- Meet the All Saints Way;
- Excellent punctuality at school.

As a Catholic community, we recognise and understand the pressures families may face during the current cost of living crisis. Therefore, we intend to contribute to the cost of the trip to make it more accessible for all.

We hope that all our pupils who have met our criteria will take the opportunity to celebrate their successes with us.

Yours sincerely

Miss Fox
