Behaviour Policy

Date reviewed by Governors:

Date to be further reviewed:

September 2021

INTRODUCTION

Purpose

At All Saints Catholic College our aim is to ensure excellent standards in the teaching of all subjects. The purpose of this policy is to produce a working document which reflects the current needs of the school. The policy is intended to build upon previous practice.

Our Catholic identity is central to everything we do and we want our pupils to develop their Catholic faith in a spirit of tolerance and understanding necessary for life in a multi-faith and ethnically diverse society.

Aims

The policy aims to put strategies in place which help develop a positive culture of praise and reward within the school, where pupils feel empowered and are able to successfully manage their own behaviour. The maintenance of good behaviour and discipline is the responsibility of the whole school. The policy aims to instill a sense of 'ownership' and responsibility for behaviour from all - staff, pupils and parents. The school aims to communicate and work with parents in order that parents may have a true picture of their child's behaviour and can contribute to their success as much as possible.

It is important that staff understand the importance of using a wide range of preventative and intervention strategies when dealing with behaviour. It is important to remember that teaching and learning go hand in hand with behaviour, and that it is often well planned, correctly pitched, and engaging lessons which promote positive behaviour : 'Behaviour for Learning'.

In summary, the policy aims:

- To support effective teaching and learning
- To contribute to mutual respect and pupil self-discipline
- To develop a sense of community where all adhere to a code of conduct
- To encourage respect for property and the environment

The Positive Discipline strategy places an emphasis on rewarding good behaviour rather than correcting poor behaviour. Whilst the emphasis is on the positive, there are occasions when sanctions are required. Detentions of varying lengths are part of these sanctions.

Rationale

The rationale behind the policy is that pupils and staff have the right to work to the best of their ability. We also have the following expectations:

- Everyone has the right to a calm environment in which they can work and learn
- We will treat each other with respect We will respect other people's property, the school and school property.
- We will all move around school in a sensible way.
- We will be on time for school and for lessons and have correct equipment for each lesson.
- We will wear our school uniform correctly.
- We will do our best in lessons and allow others to get on with their work.
- We will not tolerate bullying or making other people feel small.
- We will accept responsibility for our actions and accept the opportunity to 'make things right'.

Implementation

A copy of this policy will be available on the staff resources area and in the staffroom and the Code of Conduct will be displayed in classrooms. INSET will be used to train staff. Collective and Form Time will be used to inform and train pupils.

It is important that all stakeholders understand that when a student behaves unacceptably, it is the behaviour that is seen as unacceptable, not the child.

Our responsibility to safeguard and promote the welfare of young people is of paramount importance and we believe that safer pupils make more successful learners.

Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- Behaviour and discipline in schools
- Searching, screening and confiscation at school
- The Equality Act 2010
- Use of reasonable force in schools
- Supporting pupils with medical conditions at school

It is also based on the special educational needs and disability (SEND) code of practice.

In addition, this policy is based on:

- Section 175 of the Education Act 2002, which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88-94 of the Education and Inspections Act 2006, which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- DfE guidance explaining that maintained schools should publish their behaviour policy online

Discipline in schools – teachers' powers

Key Points

- Teachers have statutory authority to discipline pupils whose behaviour is unacceptable, who break the school rules or who fail to follow a reasonable instruction (Section 90 and 91 of the Education and Inspections Act 2006).
- The power also applies to all paid staff (unless the headteacher says otherwise) with responsibility for pupils, such as teaching assistants.
- Teachers can discipline pupils at any time the pupil is in school or elsewhere under the charge of a teacher, including on school visits.
- Teachers can also discipline pupils in certain circumstances when a pupil's misbehaviour occurs outside school.
- Teachers have a power to impose detention outside school hours.
- Teachers can confiscate pupils' property.

CONSISTENCY ACROSS THE CLASSROOM

Lessons should not be disrupted with visits or messages from other staff or pupils. Staff are asked to ensure that the following procedures are followed.

As the lesson is about to begin:

- Meet pupils at the door and insist that they line up quietly outside the classroom
- Check and correct uniform standards, and that mobile phones are not visible
- Check that there is no litter on the corridor outside your classroom
- Ensure pupils enter the classroom quietly and sensibly
- Ensure pupils have a seating plan, with clear rationale such as sub group, target, current grade
- Ensure pupils stand behind their desk, then greet class and invite them to sit
- Set an appropriate 'do now' activity for pupils to start, in order to focus them
- Display learning objectives and success criteria/outcomes
- Take your register within the first 10 minutes
- Use the 100% language
- Allow pupils to write homework in their planner and ask any clarifying questions

As the lesson progresses:

- Undertake regular learning checks through strategies such as questioning
- Encourage and praise positive behaviour
- Ensure pupils only leave the room if they have a staff lanyard and only in extreme cases
- Do NOT allow a child to leave the room if the issue is one of a medical nature
- Reinforce the 100% language

As the lesson nears conclusion:

- Allow time for a plenary and recap of objectives and success criteria
- Ensure pupils tidy the classroom
- Ensure pupils stand behind their desks in silence
- Dismiss pupils one row at a time in an orderly fashion
- Check pupil behaviour as they move onto the corridor following the one way system

At the end of the day:

- Ensure the classroom is tidy and free from litter with chairs placed on tables
- Ensure all computers and lights are switched off and that all windows are closed
- Teacher stands by door and monitors exit/use of one way system

BEHAVIOUR OUTSIDE THE CLASSROOM

We want our school to be a welcoming place of which we can be proud. To achieve this staff should ensure that our pupils should:

- Keep the school clean and tidy, and place litter in bins
- Walk purposefully inside the building, dressed in their correct uniform
- Act safely in all recreation areas
- Pupils keep to the left of the corridors, and take care of walls and furniture displays.

Lunchtime

All staff, and especially duty staff, should ensure that pupils:

- Are polite and courteous
- Queue properly – against the wall on the left
- Eat food sensibly and with good manners
- Respect the lunchtime supervisors
- Leave the table tidy, return plates and trays to the trolley
- Put all rubbish in the bins

BEHAVIOUR OUTSIDE SCHOOL

Behaviour of pupils outside of school could be grounds for a serious sanction. This could be entry to IEB, a Step Out or a Fixed Term exclusion, or permanent exclusion if there has been a serious breach of school policies and where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school.

Teachers have a statutory power to discipline pupils for misbehaving outside the school premises. Section 89(5) of the Education and Inspections Act 2006 gives the Headteacher a specific statutory power to regulate pupils' behaviour in these circumstances "to such extent as is reasonable".

This school's behaviour policy allows us to discipline a student for any misbehaviour when the child is:

- Taking part in a school/school organised or school related activity
- Travelling to or from school/school
- Wearing school/school uniform
- In some other way identifiable as a student at the school/school

Or misbehaviour at any time, whether or not the conditions above apply, that:

- could have repercussions for the orderly running of the school/school
- poses a threat to another student or member of the public
- could adversely affect the reputation of the school

The school reserves the right to work with the police on such matters if necessary and sanction if required.

SUPPORT FOR POSITIVE DISCIPLINE

Rewards

Several areas of school life are rewarded to provide opportunity for pupils to enjoy achievement and to encourage pupils to make positive contributions by promoting pupil self-esteem.

Areas rewarded are Attendance, Punctuality, Progress and subject-specific work

Each term pupils will also be rewarded for 100% attendance across the course of the term and will be given a badge to wear.

- The form with the best improved attendance

Weekly certificates will be given out to the Forms who achieve 100% attendance.

Achievement Points

Pupils will be awarded Achievement Points. These are awarded to the pupils who progress well in the lesson. These will be recorded on Sims. The Achievements Points will have a value as well as a certificate.

Achievement points should be electronically recorded on SIMS.

These can be awarded for a variety of reasons, ie excellent work, participation in a lesson etc. They will be monitored each half term by the Head of Year and acknowledged in the celebration assemblies

SANCTIONS

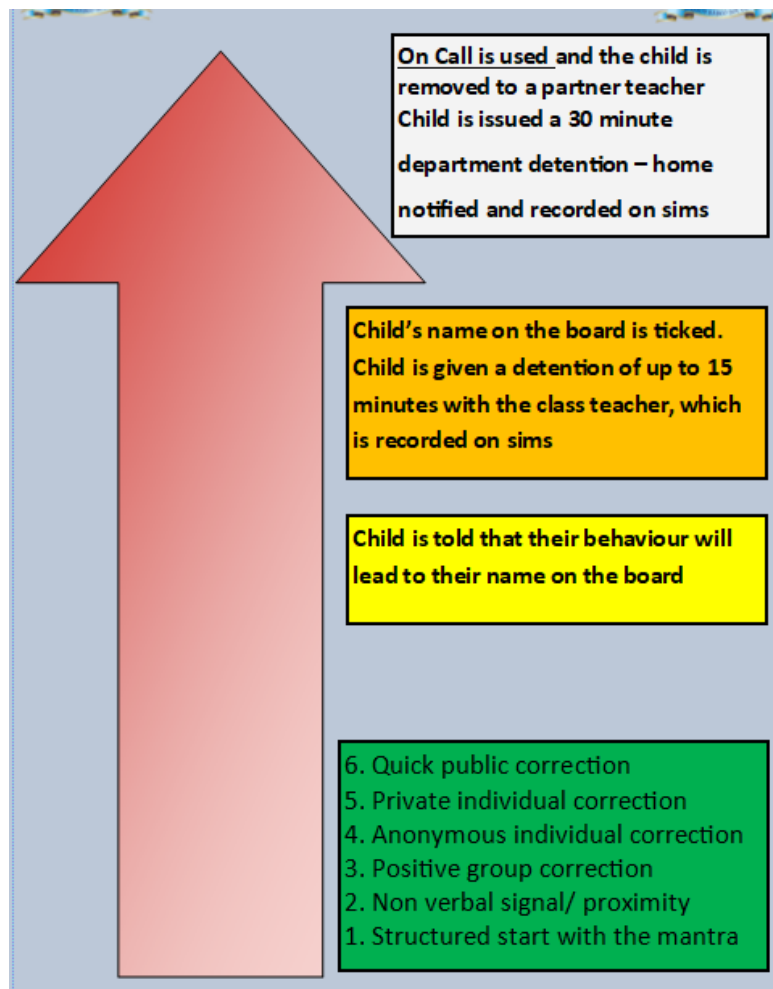

Aim

To develop a consistent pattern of sanctions which are known, understood and agreed by all, and which support the Code of Conduct. Pupils have the right to expect fair and consistently applied sanctions. An appropriate sanction is one which is designed to put matters right and encourage better behaviour in the future. Thus, it is inappropriate to punish whole groups for the misdemeanors of a few or to impose a sanction which is designed to humiliate a pupil.

Parents must be informed by a member of staff when a pupil requires an after-School detention or when Head of Department, Head of Year or form tutor is asked to become involved.

Where sanctions become necessary the first line is the individual staff sanction. This may be followed by referral to Head of Department, Form Tutor or Head of Year. The matter may then be referred to a member of Leadership dependent on severity.

In Class Behaviour System:

Behaviour Points:

Subject Teachers will issue behaviour points for pupils who do not meet expectations. These can be given for a variety of reasons and must be recorded on SIMS. Colleagues must only give 1 behaviour point for each action that is being sanctioned ie. Failure to hand in homework, no equipment, uniform issues.

Serious Incidents

For serious incidents of behaviour staff are asked to communicate with the HOD/HOY and SLT and complete a Pink Form.

Serious incidents of behaviour will be dealt with in line with the behaviour policy. Pink Forms should be completed for refusal to cooperate with a member of staff, threatening behaviour, verbal abuse, physical aggression, the possession and supply of drugs/ banned substances, the possession and supply of alcoholic beverages, smoking and the possession of cigarettes, vandalism or willful damage, persistent truancy, racist, sexist or homophobic remarks or any other action that is considered a serious incident.

All incidents like this should also be entered onto SIMS and discussed with the subject leader, HOY or SLT. The action of the staff member (ie. Sanction) must also be noted.

Graduated Response

Where there have been serious behaviour issues then the graduated approach will be put into place:

- Detentions
- Time in the Internal Exclusion Base (after 30,50, 70 etc behavior points)
- Step Out to another school
- Fix term exclusion
- Permanent Exclusion

Whole School Sanctions

Inevitably, there will be times when children need to be disciplined. Please be consistent when dealing with misbehaviour but at the same time, always remember that there is support for you from many quarters. If in doubt, or if you need help, **ASK**.

If a member of staff deals with a concern but feels that the information should be shared with a Head of Year or Head of Department. Information should be recorded on SIMS. For serious incidents staff should complete a pink form.

Parents should be notified of any behaviour issues within class and an appropriate sanction put in place.

Continued behavioural concerns **MUST** be discussed with the HOD and HOY

Detentions

- Detentions of varying length can be carried out by any member of staff.
- Detentions of up to 15 minutes require no written communication with the home.
- If a detention is set for after school then a parent should be notified, but there is no legal need to do this. A detention will go ahead even if the parent has not been notified. A reminder though that parents should be notified as a matter of courtesy, good practice and Safeguarding. This can be done through a text message.
- Once a detention has been notified to the home it is **NOT** the case that parents/guardians can 'decline' it.
- If colleagues need any support with this please see a member of SLT.
- ALL detentions **MUST** be recorded on SIMS.
- Detentions will follow be set under the following areas and following these structures:

- HoDs experiencing difficulty in completing a detention with any pupils in their subject area should seek assistance from SLT, after two failed attempts for the pupil to attend. Parents MUST be contacted by the subject teacher or HoD
- An SLT detention will then follow. These will be recorded by the Pastoral Administrator and texts sent home to parents.
- This sanction is covered by Section 5 of the Education Act 1997 and gives Schools authority to detain pupils at the end of the day for **10 minutes**. Longer after-School detentions must be notified to parents 24 hours in advance using the procedure below.
- The time a pupil spends in detention should be purposeful: aiding academic studies or contributing to the School community. The teacher who arranges the detention has the duty of care, and should ensure the pupil is adequately supervised.

Detention procedure:

- Each member of staff is expected to record the detention in the student planner and must either ring home or send a text
- If the journal is forgotten, a diary sheet should be issued to the pupil by the Form Tutor
- Each department to build up a bank of resource materials for pupils to do during a detention in that subject.
- Pupils will not be allowed to wait around the School premises for friends who are in detentions.
- Pupils issued with a detention must have this **logged on SIMS** as soon as possible after the detention has been issued. This information will be analysed by the Heads of Key Stage and Assistant Headteacher/ Deputy Headteacher in charge of Pastoral Care.
- Form tutors to monitor detentions of pupils through **regular journal checks**.
- If a pupil misses a detention **or** fails to have it signed by a parent then the detention is **doubled and re-issued by the Head of Department (logged on SIMS) and a phone call home**.
- If the pupil fails to attend the Head of Department detention, then they are to be referred to the member of leadership attached to that year group. They will then be **issued a Senior Teacher detention** which they complete with that member of leadership.

When isolating pupils the following applies:

- Please remember first of all that these children are your responsibility, you have a **duty of care** and should ensure that the pupil is adequately supervised at all time.
- Pupils should not be isolated by working on corridors or in 'public spaces' (with exception of outside the Headteacher's office), but should be **isolated in classrooms/ offices**, and pupils should always be **supervised**.
- Mrs Keogh must be informed if a pupil is isolated and where they are so that registers can be accurate.
- Parents must be contacted and informed as to why the student has been isolated

The Internal Exclusion Base (IEB)

The IEB may be used to:

- Hold pupils whilst an investigation is underway (no more than one day)
- Internally exclude a student for a serious offence/infringement of school Code of Conduct, or repeated offences, when all sanctions have been exhausted and been ineffective
- Hold pupils who have returned from exclusion without a post-exclusion meeting taking place

The number of pupils in the IEB should be kept to a minimum. The alternative of isolating pupils with other staff in school should be considered.

Isolation in the IEB can be decided or authorised by the HOY and should be discussed with the Assistant Head or Deputy Head

The relevant HOY or Pastoral staff must inform parents by phone in advance if time in the IEB is planned as a sanction.

The IEB will run from 9.15am – 3.30pm. Pupils will not be allowed access to the main school building. Lunch and access to toilets will be allowed within the facility.

Staff will be informed, via email, of which pupils are accessing the IEB and MUST provide work

EXCLUSIONS

Heads of year must ensure that account/reports of incidents which could result in exclusion are gathered swiftly so that an informed and prompt decision can be made. They will contact parents/carers of a serious incident has occurred on the same day, and to inform them of an exclusion if that decision is made by the Heateacher/ Deputy Headteacher An exclusion letter will be sent, with the form being signed by the Headteacher / Deputy Headteacher. Jo Keogh must have the accurate information for the letter to be sent home.

Types of Exclusions from School

The school follows statutory guidance issued by the DFE. Exclusion is at the discretion of the Headteacher/Deputy Headteacher only.

There are two types of exclusions from School:

Fixed Term for a maximum of 45 days per school year

Permanent a student may not return to school (see below)

Exclusion is our most serious sanction.

Pupils are at risk of either fixed term or permanent exclusion if they:

- Use physical/verbal aggression towards another student or member of staff
- Bully another student
- Refuse to follow instructions from a senior member of staff and/or modify their behaviour
- In response to a serious breach or persistent breaches of the school's behavior policy
- Act in a manner that endangers the health and safety of others or themselves
- Supply or possess a banned substance
- Carry an offensive weapon
- Persist in disrupting teachers teaching and pupils learning
- Exclusions may also be appropriate in instances of theft and damage to property
- Bring the name of the School into disrepute in the local community

The SLT will determine if the Internal Exclusion Base will be appropriate, or a Step Out or Fixed Term Exclusion is more appropriate.

The exclusion of a student is a very serious matter. It is not a step which the school takes lightly and it is a consequence of a serious breach of school discipline. Each and every situation will be thoroughly investigated and judged in its own right. The full support of pupils and

Permanent Exclusions

The decision to exclude a child permanently is a serious one. It will usually be the final step in a process for dealing with disciplinary offences following a wide range of other strategies, which have been tried without success. It is an acknowledgement by the school that it has exhausted all available strategies for dealing with the child and should normally be used as a last resort.

There will, however, be exceptional circumstances where, in the Head teacher's judgment, it is appropriate to permanently exclude a child for a first, 'one-off' offence.

Behaviour Improvement Plans

On the occasion that a pupil requires intervention in order to support them in learning about and correcting wrong behaviors they will be placed on a Behaviour Improvement

Plan (BIP). This will mean that the pupil will be set targets that will form a focus for their behaviour improvement and a designated member of staff whom they will have to meet to evidence that they are meeting or working toward achieving their targets. There are three BIP levels. BIP1 with the form tutor, BIP2 with the head of Key Stage and BIP3 with a member of the Senior Leadership Team.

Bullying is behaviour that deliberately tries to cause anxiety, fear or hurt. It can include being hit, pushed around, being teased, threatened, called names or having money or possessions taken or damaged.

Actions are described in the Bullying Prevention Policy as to what would happen to pupils in the event of a bullying incident.

Pupils who arrive with inappropriate bags will have them confiscated and replaced with a bag for loan for the day.

7. Fighting

- a) Pupils who are physically aggressive will face serious disciplinary consequences.

Actions which deliberately endanger the safety of others may lead to permanent exclusion. Any charges incurred will be passed to the parents.

9. Harassment (race, religion, sexuality, culture) including sexual harassment and sexual violence

Any student who harasses other pupils will be treated in the same way as a bully. An investigation will take place by pastoral staff and the punishment will then be determined. This may include exclusions, suspensions, detentions or isolation. SLT must be informed of

racist/ homophobic incidents so the appropriate paperwork can be completed for LA and police purposes.

This includes sexual harassment and sexual violence. Neither of these behaviours is acceptable and will not be written off as 'banter', 'part of growing up', or just having a laugh'. Sexual Harassment and/ or sexual violence can come in many forms. This includes (but isn't exclusive to):

- Inappropriate touching or grabbing of parts of the body particularly breast, bottoms and genitalia
- Touching of clothes with inappropriate intent ie. Lifting up skirts, flicking bras
- Sexualised comments directed at another person
- Use of electronic devices to take unwarranted and potentially sexualised pictures ie. up-skirting/

It is likely to be reported to the police dependant on the serious nature of the incident.

Any pupils who use their phone will have it confiscated and kept in the school safe. It will only be returned to them at the end of the day. Any electrical devices that are brought into school are done so at the personal liability of the student. The school will not be held responsible for damage or lost items. Staff have the right to use their discretion on the use of such devices at times other than the above – before and after school, trips, sport events etc.

The school promotes the responsible use of mobile phones and e-safety and cyber bullying is taught in ICT lessons. If an issue of anti-social behaviour combined with the use of

social media is brought into School by pupils (even if the incident occurred outside school) then staff will investigate. Depending on what occurs in school then a sanction (detention, isolation, suspension to the IEB, Fixed Term Exclusion) may apply and we reserve the right to involve the police as well as parents. Pupils who have been involved in such an incident will also be banned from bringing these devices into school for the equivalent of one term and will have regular and random bag searches. They will receive a permanent ban on bringing devices into school if they are found with a mobile phone during the duration of the ban. The school also exercises the right to look at the content of mobile phones and other devices and delete material if it is deemed necessary and inappropriate.

13. Smoking

Smoking is banned for staff and pupils on the whole of the school site. Any pupils caught smoking will:

Smoking also includes the use of electronic cigarettes.

If a member of staff hears bad language directed at them or about them, the student must be removed from the classroom and placed in isolation (internal exclusion). In all cases a student who swears at a member of staff will be isolated within IEB or be excluded for a fixed term. An investigation will determine the length of the exclusion / suspension.

A student deliberately shouting bad language across the classroom so other pupils can hear will be removed from class and placed in isolation.

Any form of verbal aggression towards a member of staff must be dealt with. Staff work on the principle 'Loud enough to be heard.....Loud enough to be punished'. Pupils are made aware that swearing will always be an issue which will result in disciplinary consequences even if unacceptable words are whispered to another student.

Instances of the use of swearing or bad language are noted on record. The repeated or extended use of extremely foul or disrespectful language (including racist, sexist homophobic or transphobic comments) will always result in a severe sanction, after investigation.

15. Theft

After an item has been reported as stolen:

- a) A full investigation will take place
- b) Pupils may be required to have their coats and bags searched
- c) Sanctions will apply to the thief

- a) Parents will be contacted by phone, email or text
- b) Truanting for a lesson will result in the pupils being detained after School by the subject teacher / leader to complete work missed.
- c) Truanting from more than one lesson will result in the student receiving a day in isolation.
- d) The EWO will be notified in worst cases

17. Walking out of School without permission

Walking away from a teacher or responsible adult who is giving instruction or sanction is unacceptable. Walking out of school without permission and signing out without permission is always unacceptable.

On these occasions:

- a) An attempt will be made to contact a parent
- b) The pupils will serve a Leadership detention or spend time in isolation
- c) Walking away from a member of SLT will automatically result in time in isolation.

18. Use of restraint

Staff are allowed to use reasonable force when restraining pupils who are acting in a threatening or dangerous manner or to prevent an accident.

19. Uniform/ Dress Code

Pupils are expected to wear their uniform with pride and "dress for success" at all times. The School will reward individual pupils and whole forms to encourage correct wearing of uniforms.

Pupils who fail to wear the correct uniform or fail to wear their uniform correctly (this includes contravening the school rules on make-up, jewellery and hair styles) will be given a 'uniform behaviour point'.

Failure to wear the correct school uniform will result in the implementation of a graduated response including:

- A verbal reprimand and warning of the student
- Contact with home
- In school or after school detention
- Or time in the IEU for persistent failure to wear the Correct Uniform

APPENDIX A

Covid 19 Additions:

The Governors have a responsibility to ensure that behaviour does not compromise the health and safety of staff or students and reserve the right to sanction students, these sanctions include where necessary Fixed Term Exclusion and Permanent Exclusion.

Students who fail to follow the rules and therefore compromise the health and safety of others will:

- Be issued with a verbal warning
- Will be moved seats (where logistically possible)
- If your behaviour does not improve, your parent/carer(s) will be contacted and arrangements made for you to go home. Return to College the following week will be dependent on your ability to demonstrate a willingness to adhere to the expected behaviours indicated in this policy.
- If your behaviour is deemed high risk, for example deliberate behaviours that put yourself or others at risk such as spitting or deliberately coughing at people, your parents will be contacted and a fixed term exclusion applied.

All Saints Catholic College acknowledges that students will have had a range of different experiences during the lockdown period which may have an impact on their behaviour presentation upon return to college. Some may present with frustration as a result of being isolated from friends or having missed a significant event or experience; e.g. exams, college trip, etc. Others may have experienced bereavement or loss or another, real or perceived, traumatic episode. For many, the process of re-engagement with learning and the college community, under unusual circumstances, may require some additional input and encouragement.

As a result of these varied experiences students may present with behaviour that is not usual, this may include;

- Anxiety; lack of confidence
- Challenging behaviour; fight or flight response
- Anger; shouting, crying
- Hyperactivity and difficulties maintaining attention
- For some students, including those with attachment concerns or SEN/D, and especially those with autism, the change in routines and lack of familiarity will require additional adjustment.

The College recognises that behaviour could be a sign that for some individual students there is an unfulfilled need and that the behaviour is communicating that there is a problem. The college will undertake an individual risk assessment for the student and use reasonable endeavors to make the necessary adjustments to reduce the stimulus that may be triggering the challenging response, keeping in mind the health and safety of students and staff.
