Loving God,  
**Inspire** us to be **excellent** in everything we do at All Saints.

Help us to love one another respect all members of our community.

Enable us to use our gifts and talents to the best of our ability, so that we **succeed** on our chosen path.

Amen.

# Our mission

**“You are the light of the world. A town built on a hill cannot be hidden.”  
Matthew 5 14:16**

Our staff strive to deliver a curriculum which enables all young people to succeed with their faith at the centre of their lives.

Our pupils will become inspired, resilient thinkers who have acquired the essential knowledge, skills and qualifications to utilise their God-given talents to the fullest. We help our pupils to become successful individuals who fulfil and exceed their expectations and achieve academic excellence, allowing them to move onto their chosen post-16 destination.

We support our pupils so that they become confident, respectful and self-regulating individuals who can live healthy, spiritual and fulfilling lives as part of our All Saints’ family and beyond. We expect our pupils to be responsible, healthy, community focused citizens who make meaningful contributions to society, driven by the values of the Catholic Church.

We aim inspire our children to be creative, practical and respectful young people who are inspired to continue learning throughout their lives.
