

KS4 MATHS CURRICULUM OVERVIEW			
	Autumn	Spring	Summer
YEAR 10	<p>Number Number</p> <p>Algebra Manipulation Equation and Inequalities Quadratics</p> <p>Proportion Fractions</p> <p style="text-align: center;">End of Term Assessment</p>	<p>Proportion Percentages Ratio</p> <p>Geometry Transformations and Loci</p> <p>Data Interpreting and Representing Data</p> <p>Geometry Pythagoras and Trigonometry</p> <p style="text-align: center;">End of Term Assessment</p>	<p>Geometry Perimeter and Area Similarity Volume and Surface Area Angles and Polygons</p> <p>Algebra Linear Graphs Non-Linear Graphs</p> <p style="text-align: center;">End of Term Assessment</p>
YEAR 11 FOUNDATION	<p>Probability Probability</p> <p>Algebra Algebra Recap Indices Simultaneous Equations</p> <p>Proportion Direct Proportion</p> <p style="text-align: center;">Mock Exam will take place in the Term</p>	<p>Geometry Bearings</p> <p>Proportion FDP Recap</p> <p>Data Further Data</p> <p>Geometry Congruence Exact Trigonometry</p> <p style="text-align: center;">QLA Based Revision</p> <p style="text-align: center;">Mock Exam will take place in the Term</p>	<p style="text-align: center;">QLA Based Revision</p> <p style="text-align: center;">Examinations</p>

<p>YEAR 11 HIGHER</p>	<p>Probability Probability</p> <p>Algebra Indices and Surds Simultaneous Equations Further Quadratics</p> <p>Proportion Direct and Inverse Proportion</p> <p>Geometry Bearings</p> <p>Mock Exam will take place in the Term</p>	<p>Geometry Further Trigonometry</p> <p>Data Further Data</p> <p>Geometry Circle Theorems Circle Geometry Quadratic Inequalities & Functions Proof and Congruence Vectors</p> <p>Mock Exam will take place in the Term</p>	<p>QLA Based Revision</p> <p>Examinations</p>
