Some special mentions are:

- Lily (9R) for a strong performance and silver medal in the Girls Y9/10 1500m.
- Michael (9R) also stepped up into the Y9/10 Boys category and made it into the finals of the 300m, with a very strong performance in the heats.
- Amber (9T) continued her annual performances in the Y9/10 Girls shot put placing 6th in a strong field.
- Kyle (8W) made the Boys Y7/8 300m finals in an event that many find difficult.
- Jayden (8R) was the newfound star of the day, coming 4th place in the Boys Y7/8 200m final.
- Lily-Mae (8W) who was a superb ambassador for the school in her role as a timekeeper. Her diligence in this role was praised by all of the teachers from other schools, who she worked with.

Year 10 College Taster Days

Our Year 10 pupils have been attending college taster days this week at various local colleges to see what post-16 opportunities are available to them. So far, they have taken part in an array of exciting activities linked to their interests, including practical skills such as bricklaying, woodwork and hair and beauty, as well as some creative classes and work with animals. We hope this experience has inspired our pupils to think about their next steps after leaving us.

Year 11 Prom

This week, we said our final goodbyes to our wonderful Year 11 pupils at their prom! We are so proud of you all and the people you have become and wish you the best of luck moving forwards.

We would also like to thank Mr Cassell and Ms Jackson for all of their hard work and dedication in organising the prom and supporting our Year 11 pupils this year.
