

### **Welcome Message**

This week, we celebrated Sports Day, some fantastic experiments took place in Science and our pupils and parents enjoyed our Annual Rewards Evening.

### **Practicals in Science**

Across several Science lessons this week, pupils have been taking part in experiments. Mr Payne's Year 8 Science class were conducting an experiment in the sun using rockets and parachutes they made themselves. They were testing whether the different sized parachutes would impact the speed at which the rockets fell. Ms Crosby's Year 10 class were dissecting eyeballs as part of their Biology lesson in order to better understand anatomy.

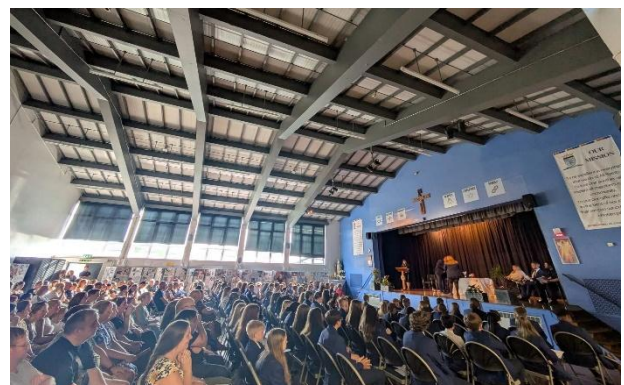

## Sports Day

Our annual Sports Day took place this week! Several events took place, including football matches, rounders, long jump, shot putt and vortex. We are so proud of all our pupils for taking part and for supporting one another throughout the different events.

## Annual Rewards Evening

Rewards Evening took place this week where we celebrated the outstanding achievements of some of our pupils. Awards were given for excellence in different subjects and to pupils who embody our core school values. A special award was also donated by the Almond family which we are very grateful for. Thank you to everyone who attended our Annual Rewards Evening. We were so pleased to see so many family members supporting the pupils and congratulating them on their fantastic awards. We hope you enjoyed your evening!

### Trip to Jodrell Bank

Next Tuesday, we are taking a small group of budding scientists to an event at Jodrell Bank to listen to astronaut John McFall speak about his amazing career, as well as space exploration and scientific discovery. If your child has been selected, please see Mr Payne for details!

### Instrument Lessons

From September 2025, we are looking to start offering instrumental lessons here at All Saints. If you would like your child to start learning an instrument from September, please sign up directly with Tameside Music Service on the following web link: <https://uktameside.speedadmin.dk/registration#/>.

We are also looking to offer several Music and Drama activities that will run weekly after school from September, such as a new Rock band where pupils can come along and learn to play Guitar, Bass, Drums, Keyboard or as a singer. We will also be holding auditions in September for our 2026 production of 'Annie', which will then rehearse once a week, and finally, returning in September will also be our vocal group and Drama club.

Pupils are able to join any of the above extra-curricular activities, regardless of previous experience or ability – all are welcome! Please don't hesitate to get in touch with Mrs Millington via email [amillington@allsaintscatholiccollege.com](mailto:amillington@allsaintscatholiccollege.com) should you require any more details.

## Pre-Loved Summer Uniform Sale

During the summer holidays, we will be hosting a pre-loved summer uniform sale on 2 dates. All money raised will go directly to the amazing Masie Moo's Missions charity which was founded by the Almond family after Maisie's passing.

Please bring cash only to this event. Items will range in price between £1-£10. We hope to see you here!

## Pre Loved Uniform Summer Sale

Our Summer **Pre Loved** sale will be held at School on the following days

**19<sup>th</sup> August between 10am and 12pm  
&**

3. 9 Ward

## Attendance:

1. 7 Assisi - highest this week at 98%
2. 8 Teresa
3. 9 Teresa
4. 10 Teresa

### **The last day of school**

We will break up for summer on Friday 18<sup>th</sup> July. On this day, school will close at 1pm. We have been in contact with the bus company who have stated that they will run the 841 service next Friday at 1pm, so pupils will be able to access this.

### **Social Media**

We would like to remind parents in our community about the use of social media linked to school. Please ensure that social media is always used appropriately when referencing All Saints to prevent the spread of misinformation. Please note that we do have our own social media pages. On Facebook, we are All Saints CC, and on X, we are also All Saints CC and we use these platforms to share regular updates about life at school. We also have our website (<https://www.allsaintscatholiccollege.com/>) which contains links to relevant points of contact should you ever need to reach out to us directly. Thank you for your support in this matter.

### **Final message**

Thank you to all parents in our community for your continued support.

I hope you have a wonderful weekend.

Best wishes,

Ms Gilligan
