Prayer

Heavenly Father,

Help us to follow your Son, Jesus, in all that we do.

Teach us to be people of kindness, service and love.

Guide us to use our gifts for the good of others and to be a light within our school community.

Amen.

Catholic Life

Year 7 Welcome Mass will take place on Thursday 24th September 2pm at St Mary's Church Zetland Street Dukinfield. Pupils will walk to church accompanied by their teachers- parents and carers are warmly invited to join us at church as we celebrate this important milestone in the beginning of their journey at All Saints Catholic College.

Living out Catholic Social Teaching

As part of our commitment to Catholic Social Teaching and supporting those in need, our Deputy Head Girl, Grace and her brother Shay are taking part in HYROX Juniors to raise money for Maisie Moo's Missions.

We are incredibly proud of these two young people, who are not only outstanding sportspeople but also wonderful ambassadors for our school community. Their commitment to helping others demonstrates the values that we strive to live every day.

Well, done, Shay and Grace!

Maisie Moo's Missions

INSPIRED BY MAISIE'S KINDNESS.
We support disadvantaged young people and raise awareness for blood and organ donation.

Arbor Communication

Many of our parents and carers are now successfully using the Arbor School App. Arbor is our primary method of communication and provides instant access to important school information. We encourage all parents and carers who have not yet done so to download the Arbor App. Any pupil experiencing difficulties with Arbor should speak with Mrs Dean after collecting their phone following PM form time.

Curriculum & Achievement

Our Year 11 intervention programme begins next week. If your child has been invited to attend intervention sessions, it is extremely important that they do. These sessions are delivered in small groups, allowing staff to provide targeted support and maximise pupil progress. Pupils who attend regularly will benefit not only academically as they prepare for their GCSE examinations but will also receive rewards for excellent intervention attendance.

Extra-Curricular Activities

Our extracurricular programme also begins next week. Staff across the school will be leading a wide range of activities designed around the interests, talents and needs of our young people.

We want every pupil to feel represented and engaged in our enrichment programme. If your child has a particular interest that is not currently offered, please encourage them to speak to Mr Flynn, who will work with pupils to help ensure our extracurricular provision continues to meet the needs of our school community.

Important Information

Our annual Open Evening will take place on Wednesday 7th October 2026 4:30pm to 7:30pm

To allow preparations for the event, the school day will finish early and students will be dismissed at 1:00pm.

The NHS Immunisation Team will visit school on Thursday 30th September to administer the nasal spray flu vaccine. Please look out for a link from the NHS, which will be sent shortly so that you can complete your child's consent form.

Save the Dates

Tuesday 15th September Year 11 Geography Fieldwork

Wednesday 16th September Year 11 Geography Fieldwork

Thursday 17th September KS4 Curriculum Evening

Friday 18th September Macbeth Theatre Trip

Attendance

Good attendance remains one of the strongest indicators of future success. Thank you for your support in ensuring that pupils attend school every day.

Forms with the highest attendance this week:

7A & Mr Marsh / 7JP & Ms Nicholson

8K & Mr Hussain

9A & Ms Wing 100%!!!! - form prize winners

10K & Mrs Clegg

11JP & Mrs McGrath

The pupils with the most ASAPS (All Saints Achievement Points)

Year 7 - Dylan T

Year 8 - Jacob C

Year 9 - Millie W

Year 10 - Sam D

Year 11 - Daisy B

Who to Contact

Please remember that your child's Form Tutor should be your first point of contact regarding day-to-day school matters. They will ensure any concerns are directed to the appropriate member of staff where necessary. You can use the Arbor App to communicate with school, contact the school office by email Office@ASCCTA.co.uk or telephone 01613382120.

Thank you for your ongoing support,

Ms Gilligan
