HEADTEACHERS MESSAGE

Firstly, I would like to say a huge thank you to parents, carers, children and our partnership schools for your ongoing support over the last term. I am proud to have been successfully appointed as Headteacher for All Saints; many thanks for your well wishes and kind messages of congratulations.

We are in exciting times at All Saints as we continue to improve our provision so that it is a place of excellence for your child. Over the past term we have improved the quality of our rewards system so that pupils can celebrate their achievements as a school community and with parents and carers at home. Our celebration of conduct recognises the pupils who live and breathe our values of faith, family, excellence, community, resilience and respect. Each half term we have been able to reward a significant number of our pupils who follow the All Saints' Way and are ambassadors of our school family.

BE INSPIRED. BE EXCELLENT. SUCCEED.

HEADTEACHERS MESSAGE

We are constantly looking for ways to strengthen our relationships with parents, we hope that you have found School Comms, our parent communication app useful and that it allows you to understand your child's school day more clearly. We have shared our attendance focus 'What colour is your attendance?' with all parents using the App so that together we can continue to support pupils having excellent attendance. Our current school attendance figure is above the National Average and we are thankful for your support in maintaining this. More information can be found here

Over the next term our next wave of building improvement work begins. Our Food technology room is being replaced and renovated and our outdoor sports facilities will be updated and improved. Over the summer holiday our toilets will be replaced so that they reflect what the pupils have told us they want and need.

CATHOLIC LIFE

Each year, during Lent, all the schools in the Shrewsbury Diocese come together to raise money to raise money to support the Caritas Family Support Service who work with children, families and those in communities who are experiencing difficulties or disadvantage.

This year we held an Easter Fair to help raise funds for the Caritas Good Shepherd Appeal. The pupils held craft making sessions, a sponsored bounce, raffles, karaoke and much more to raise money for the charity.

In total the pupils managed to raise a huge £550.

Well done and thank you to all involved!

REVISION

TIPS

Year 11 have demonstrated excellence and resilience throughout the start of the exam period. We have interventions running throughout the half term for English, Maths, graphics and science. We are holding our farewell assembly on 26th May as the following week there are full cohort exams which will prevent us from doing this properly. We are encouraging pupils to revise throughout the half term break using the Guidance Booklet which can be found here:

https://www.allsaintscatholiccollege.com/application/files/5216/6618/1694/19.10.22_Guidance_Booklet_Year_11.pdf

and by accessing revision materials set by teachers on Satchel One.

REVISION

TIPS

PREFERRED REVISION STRATEGIES AT ALL SAINTS CATHOLIC COLLEGE

1. FLASH CARDS
2. CORNELL NOTES
3. PAST PAPERS

How to make flashcards

1. Ensure that the flashcards have a **question or key term** on one side and the **answer or definition** on the other.
 - The flashcard must work the memory.
 - If flashcards only contain notes then no **retrieval practice** will be happening.

How to make flashcards

2. Ensure the right questions and knowledge are on the cards.
3. Keep information as short as possible.
4. Write clearly. You should be able to read what you wrote at a very quick glance.

PREFERRED REVISION STRATEGIES AT ALL SAINTS CATHOLIC COLLEGE

1. FLASH CARDS
2. CORNELL NOTES - [HTTPS://WWW.YOUTUBE.COM/WATCH?V=C20EVKTDJWQ](https://www.youtube.com/watch?v=C20EVKTDJWQ)
3. PAST PAPERS

How to make flashcards

5. Use different **coloured cards or pens** to categorise your flashcards. For example, use a different colour for each subject or topic. This can help your brain to categorise information better.

6. Make your flashcards as soon as you've learnt the topic in class.

Leitner System – The Method

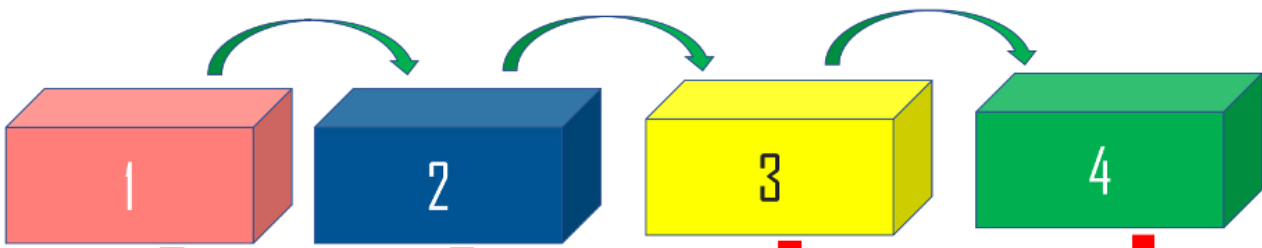

All flash cards start off in Box / Stack 1.

As you review the cards, each card you answer correctly goes into Box 2.

If you give the wrong answer the card stays in box 1.

When you review cards in Box 2, if you still get it right you move the card to box 3 and so on until all cards are in Box 4.

If you get a card wrong in any box, it goes back to Box 1.

Extracurricular opportunities

Our extracurricular opportunities are open to all pupils Monday – Friday 3:00PM–4:00PM. We have recently conducted a pupil survey to gain an understanding of what pupils enjoy and what opportunities they would like adding. This is our current timetable but our pupils have shared some fantastic ideas on what they would like to see added.

"GREASE LIGHTNING"

ALL SAINTS SCHOOL SHOW

The Cast this year was all inclusive, & made up of both boys & girls from Years 7, 8, 9, 10 & 11, with a lot of new faces joining the cast list this time round. With just over five months' practice under our belts, this year's production had us belting out songs such as 'Greased Lightning', 'Look at me I'm Sandra Dee' & 'You're The One That I Want'!

A word from the director:

I would like to say a massive thank you to all the pupils involved in this year's production—they have worked so hard over the past few months, and have made directing this show a thoroughly enjoyable experience! I must also thank Miss Klays, Mrs Kellett, Miss Fox & Mr Campbell who have contributed in different ways throughout the week, from helping backstage, selling tickets and helping to get the stage performance-ready—a massive thank you to each & every one of them!

All that is left to say is thank you for supporting the pupils of All Saints.

Gold Duke of Edinburgh Award

On the 15th May I attended Buckingham Palace for the Gold award recipients. I was invited as a regional representative for the North of England and was proud to be representing our school who I have been doing DofE for over 7 years. The award has been a massive achievement for many of our students who do Bronze and Silver with us.

I enjoyed meeting our new Duke of Edinburgh, Prince Edward, who made an amazing speech and made us all laugh regarding his thoughts on his own adventures with the programme when he was a boy. Ruth Marvel the CEO of the Duke of Edinburgh award was also there and met a lot of the recipients.

A highlight for me was playing corn hole in the gardens and listening to some of the amazing speeches by adventurers and celebrities. I was also fortunate to have been there for my son to claim his Gold award with his friends. He is now at university studying silversmithing and jewellery; he wears his brooch with pride on his work apron. It was also a good job he was there as I got stuck in one of the large DofE chairs and he had to pull me out. So Dignified.

A wonderful day talking to all those in the north and proud to be a part of this wonderful award. #celebratewithDofE

Year 10 Brilliant Club

University of Leeds Graduate Trip

Our Y10 Brilliant Club travelled to the University of Leeds to attend their graduation event for the Brilliant Club. Over the last term the pupils have been working with a university researcher (PhD Tutor) and learning about how “Language is Power”. At the end of the course the pupils wrote a 2,000 word essay which was graded as a 1st, 2.1, or a 2.2. Pupils performed outstandingly in their essays. Well done to all for writing at such a high standard.

During the pupils’ graduation event, they attended skill sessions about university life, had a campus tour and had the chance to speak with University students about what it is like to study at University. The pupils represented ASCC well and were a credit to the school.

FIRST AID

Training

BRITISH RED CROSS

This term the British Red Cross delivered a first aid workshop for 30 of our pupils.

We invited The Red Cross into All Saints as we believe that first aid is a skill that all pupils should have the opportunity to encounter. Although we have only run a workshop with 30 pupils, we endeavour to work with The British Red Cross to ensure all Pupils at All Saints are provided with this fantastic opportunity.

The pupils built knowledge of how to deliver CPR, treat minor injuries, deal with burns and much more. The pupils said "the workshop was really interesting and was an important part of everyday life".

Reward Trips

We are excited to announce that our reward trips for all year groups will be taking place on the 19th October. Pupils will be invited to attend a trip based on conduct, attendance and punctuality.

Year 9 & 10

Year 9 and 10 will be invited to attend our reward trip to Alton Towers on the 19th October to celebrate all of their hard work.

Year 7 & 8

Year 7 and 8 will be invited to attend our reward trip to Chester Zoo on the 19th October to celebrate all of their hard work,

HELPING IN THE COMMUNITY

We are delighted to hear about Jessica's contribution in our local community. Jessica attended The Together Centre to collect leaflets and visited a number of Jigsaw Home Tameside properties. Jessica talked to tenants who said that they were new to the area and or are isolated.

Jessica took the time to talk to the the tenants about the Whats on Guide and she explained where The Together Centre is situated to provide local support. Jessica offered a friendly face at the doors of our local community which certainly brought a smile to their faces. Well done for demonstrating our community value Jessica, we are super proud of you!
