

Welcome Message

Welcome to the first week of the final half term of the academic year. This week, our Year 11 pupils have continued their hard work during their GCSEs, our Year 9 cohort have taken part in RE retreats and all pupils have attended assemblies regarding maintaining high standards during this final half term.

Year 11 exams update

We are so proud of our Year 11 pupils who are continuing to work incredibly hard throughout their GCSE examinations. Our Year 11 pupils are now on study leave. For pupils who prefer to stay and work at school, revision spaces will always be available and teachers are on hand to support. There are a range of revision resources available at school for pupils remaining here in between exams.

Year 9 RE Retreats

This week, our Year 9 pupils have been enjoying their RE retreats. The theme of the retreat was this year has been 'Choices'.

The tasks set for pupils have been based around thinking about how to make the best choices for themselves. They played the game of life where they had they all began with money and had the opportunity to plan out how their life might look - they could pick to gain an education, go on holiday, buy a house etc. Pupils then had to think about how these decisions would impact their lives overall.

Pupils were told to think about the support, guidance and advice they are given from those around them such as family and friends and also to look towards Jesus and the Lord and use their support when needed.

We are proud of the fantastic effort and engagement shown by our Year 9 pupils.

Year 10 Mock Results Day

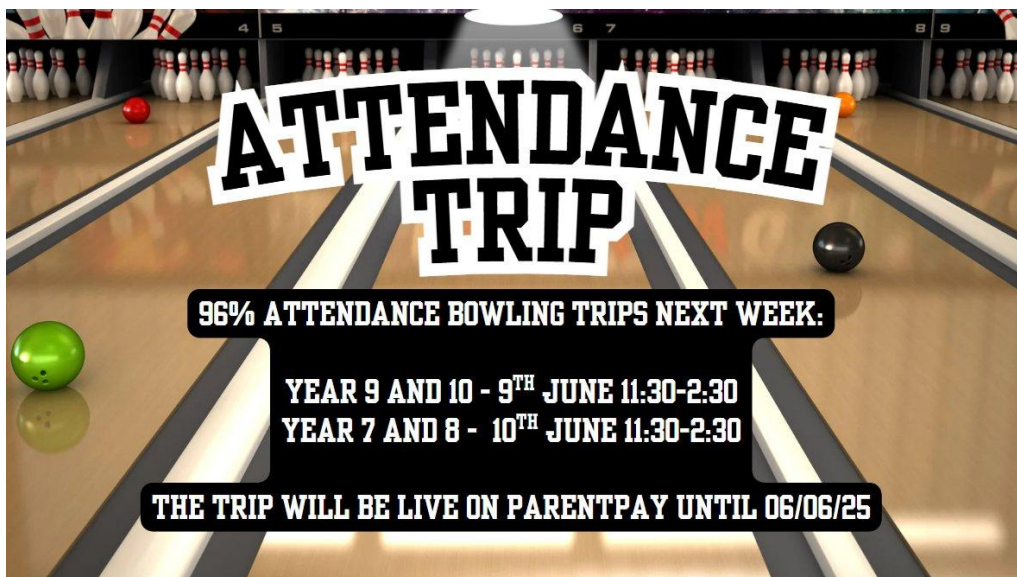

Our Year 10 pupils received their mock examination results this week. Pupils were given their results following an assembly from Mr Jones explaining how their grades have been calculated, as well as how pupils will be supported going into Year 11.

We hope that pupils were happy with their results and use this experience to help them move forwards as they progress into their final year of secondary education.

Attendance Rewards Trip

In order to celebrate our pupils with fantastic attendance, we will be hosting another reward trip next week. Pupils with attendance of at least 96% have been invited to attend the trip. The final day for payment is today (Friday 6th June). Pupils who have paid after this date will not be able to attend.

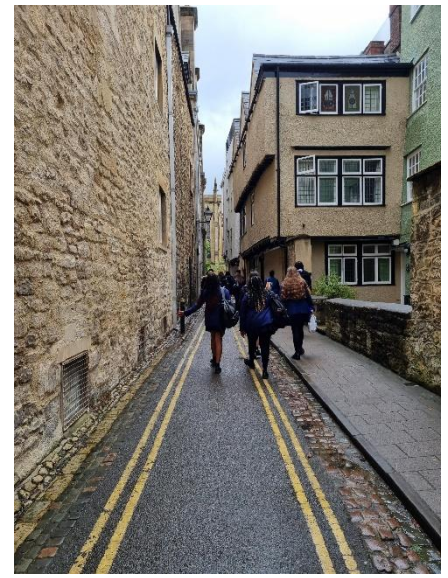

September updates

Starting in September this year, pupils will be expected to bring a bag with them to school. This is to ensure that books are taken home at the end of each day and used to assist with revision and homework. From September, a school bag will be an essential part of the All Saints uniform.

Trip to Oxford University

Some of our pupils visited Oxford University this week! This amazing opportunity allowed pupils to tour the campus and city, as well as experience a lecture from a university professor. Pupils had a fantastic time and were able to see some of the great opportunities and experiences Higher Education has to offer.

Final message

Thank you to all parents in our community for your continued support. I am grateful to the parents who have now signed up to Arbor. If you have not yet done so, please aim to do this when possible. Arbor will soon act as our one platform for all school communication, making everything much simpler to access.

I hope you have a wonderful weekend.

Best wishes,

Ms Gilligan
