Headteacher: Mr A Diamond

11-16 Catholic Academy

SENIOR SCIENCE TECHNICIAN

APT & C Scale F – Salary from £26,845 to £29,439 pro rata
36 hours per week, term time only (including 5 INSET days)
Permanent post
Applications are welcome for those seeking a part time role

The Governors of this inspirational 11-16 mixed Catholic College are seeking to appoint a Senior Science Technician to work 36 hours per week, term time only including 5 INSET days. This is a permanent role. Applications from those seeking a part time role are welcome.

Our school is on an exciting and transformational school improvement journey. We have a superb team of people and staff morale is very high. This is an opportunity to be part of a very special team of people. In December 2022, we will join the Corpus Christi Catholic Academy Trust (CCCAT). Applicants appointed after this date will be subject to all of the terms and conditions of the CCCAT, as well as the benefits.

The successful candidate will be expected to oversee, and provide direction to, others preparing chemicals, apparatus and equipment. Appropriate training will be provided as required. Experience in assisting Physics experiments and proficient ICT skills would be desirable.

The Science Department has six laboratories and a teaching room. There are seven teachers in the department and a technician.

Application forms and further details are attached. Copies are also available from the Headteacher's Personal Assistant, Mrs L Jones, recruitment@allsaintscatholiccollege.com. Completed application packs should be returned to the above email address by Friday 16th December 2022 at 12 noon. Interviews will take place week commencing 9th January 2023.
